Report of Principal and School Improvement Council

In our fifth year we enjoyed active participation from parents, students, staff, and community members. We hosted a multitude of family/community functions, including Family Science, Technology Portfolio, Literacy and Math nights, Authors' Tea, Dr. Seuss Read-in, and performances, including Jungle Book and School House Rocks. We sponsored events, including Grandparents Luncheon, Community Breakfast, Donuts with Dad, and Muffins with Mom. Students participated in the talent show, Running Club, Young Astronauts, cheerleading, strings, chorus, garden club, and band.

We continue to seek ways to close the gap in Math and meet the needs of our non-English speaking population. This year we offered before- and after-school remediation, extended learning and response to intervention with volunteers, paraprofessionals, and teachers. The spring '08 MAP results reflected positive increases of 46.4% proficient and advanced in fourth grade and 44.1% proficient and advanced in fifth for math. Overall, we were pleased with the academic growth of our students this year.

Teachers at Okatie applied for and were awarded numerous grants. Ms. Sweet and Mr. Hunt received a Palmetto Electric Bright Ideas grant used to kick off our school-wide walking/running club. Mrs. Goodman was awarded the Calhoun Station grant for a greenhouse. Mrs. Young was awarded the Sun City Solheim Cup grant for reading books. Our PTO was awarded a grant from Lowe's to build the Nature Fitness Trail. The trail was the site of our first "Okie Foot Flight." The fitness trail will be an invaluable asset as we build our health and wellness program.

Ms. Edwards' EXCELS students really showed their academic prowess. An Okatie student won the SCCEE Economic Poster Contest. Our fourth grade students participated in the Continental Math League. The students competed against 260+ schools in the southeastern region. The fourth and fifth grade GT classes worked with "The South Carolina Stock Market Game." This is a simulation that teaches the children stock terms, money management, and economics in a game format. This was a fun and challenging method to meet the standards of economics, math, and technology, and to learn the benefits of wisely spending and saving money.

While important learning takes place at school, students get many opportunities to apply what they have learned to the real world. All students participated in science based field trips that supported standards and our school mission. The students helped with "Okie Acres" as well as Monet's Garden with volunteers from The Sun City Garden Club. Our Callawassie volunteers built picnic tables and benches to extend learning outdoors. We owe our continued successes to staff, students, parents and community members who volunteered their time at school functions and in the classroom.

School Adequate Yearly Progress	NO
---------------------------------	----

This school met 21 out of 25 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

* Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status	
---------------------------	--

School Improvement Key

NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanction: Implement the restructuring plan.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
